

The 9/11 Delusion: Israel's False Flag, Jingoism, and Inhumanity

On September 11th, 2001, Mossad struck New York City, igniting a fire of war and xenophobia that has engulfed the entire globe.

Welcome to hell madames and sirs, ladies and gentlemen, brothers and sisters, friends and enemies. Welcome to dystopia, a nightmarish incarnation where Orwellianism flourishes like fungus in the darkness of the forest and American jingoism and Western exceptionalism act as its foundational pillars. Welcome to a world where militarism is the religion of the masses and rituals of piety and

righteousness include the spilling of innocent blood in faraway lands, inhabited by the undesirables commonly mislabeled as 'ay-rabs and moozlums,' or in classic Orwellian dialect understood in gleeful ignorance by these said masses, 'extremists, terrorists, fanatics, islamofascists, despisers of freedom, haters of liberty.'

And the god of this sickening hyper-nationalistic religion? In accordance with the most deranged interpretation of monotheism, there can only be one and it is 'Israel,' the usurping supremacist entity evilly resting on the land that it usurped from the indigenous, the bones of the innocents that it slaughtered, the roots of the ancient trees that it uprooted and the history that it buried in the 'nakba,' Arabic's chilling word for 'catastrophe.' This bastardized historical abomination, with its global matrix of Zionist operatives and sayanim (helpers) furthering its agenda on a second by second basis, which you, the West, bows down before in awe, begging for its acceptance, begging for a place in its dystopian reality, has fooled you all; a 'nakba' of your very own, only your nakba is not of unequivocal annihilation like that of the magnificent Palestinians who continue resisting this Zionist creature putrefying their land with each millisecond that passes. No, your nakba is a mental one, of the utmost severity. You suffer from the most horrific delusion known to modern man: the belief in the official 9/11 narrative, the 9/11 myth, the 9/11 mirage, the 9/11 lie of (literally) earth-shattering proportions.

Every last one of you that invokes this event, on that ominous September day in America, New York City specifically, in a disturbing, raging, religious matter to justify your belief that American blood is more precious than all other bloods on earth, that there is no 'country' greater than America, that the 'evildoers' must pay for what 'they' did on that day, is in effect, issuing a betrayal. Because in your jingoism, in your abhorrent, racist exceptionalism that essentially states that you, colonizers and

The 9/11 Delusion: Israel's False Flag, Jingoism, and Inhumanity

occupiers, have suffered more than any other ethnic, religious or national group throughout the four corners of this globe, you have betrayed your true nature; a nature that you are too brainwashed to recognize even if it was placed directly in your optical pathway... the nature of inhumanity. So desensitized by the nationalistic pornography of the 9/11 narrative, you have become incapable of empathizing with the tens of millions murdered, raped, tortured, maimed, dispossessed and brutalized in your name. In the name of your 'freedom,' your 'democracy' and laughably, your 'values.'

Fully backed by Western exceptionalism and American jingoism, the usurping entity of 'Israel' has become an object of worship in the USA.

Classically defined by the cliched 'chicken or the egg' scenario, there is a triad of inquiries that must be presented to further comprehend the depth of your impending, if not already unfolding doom.

The first: which came initially, your ignorance or your jingoism? Or like sun and moon, land and sea, are the two intimately bound? One cannot be jingoistic if one is not woefully ignorant and one who is woefully ignorant finds ease in accepting the doctrinal depravity of American jingoism. The second: where did the ignorance and the jingoism originate? Man is not born with the tremendous hindrance of ignorance, he has been naturally endowed with the supreme mental power of questioning; of reflection. This power must be manipulated into a state of non-function; it must be suppressed by an outside power with the sole purpose to take 'those who question' into its proximity and crush them, like the relationship between boot and ant. And the third, the king of kings amongst inquiries: you don't even know who carried out the September 11th horror, do you? You do not even have the slightest clue, the most minuscule idea, do you?

The first inquiry is rendered non sequitur by the second and the second, is amplified as it is unified with the third. The answers to these inquiries turn your dream into a nightmare, your happiness into misery, your pathetic excuse of an existence, one that is built chiefly on lies, into an unrecognizable world where truth reigns supreme. The truth is a flavor not known by the taste buds of the masses and though they may not be cognizant of it, they hunger for it in a primal way.

What is ironic, nay, what is the glimmering pinnacle of irony, is that the object of your worship, your deity, that supremacist dragon that refers to itself as the 'Jewish state,' which you vehemently and hopelessly believe represents 'the only true friend that America possesses in the Middle East,' is the very reason that you are so disturbingly

The 9/11 Delusion: Israel's False Flag, Jingoism, and Inhumanity

and disgracefully jingoistic. The Zionist creature occupying Palestine is the very reason why your ignorance has reached levels as radioactive as the streets of Baghdad, Basra and Fallujah after your army invaded and hammered Iraq with depleted uranium in March 2003. The usurping regime of 'Israel' is the culprit behind the September 11th carnage and it is its international media monopoly that is responsible for manipulating your thought patterns into the warped way that you currently think.

There is nothing about the official (read: Zionist) 9/11 narrative that stands up to scrutiny; the truth is being ruthlessly suppressed.

Sorry. Jet fuel did not liquify steel. Jetliners did not turn skyscrapers into dust. Flight 93 didn't 'crash' in Shanksville. And no, Flight 77 didn't disintegrate into nothing upon hitting the Pentagon. The 'hijackers' were patsies run by Zionist intelligence and entertained on the yacht of 'Israeli' lobbyist and Zionist extremist Jack Abramoff less than a week before 9/11. Osama Bin Laden? Nothing to do with the events that day, and he vehemently denied

any involvement two days after the mass murder of 2,973 innocent Americans, opining that the attack was carried out by the 'government within the government' of America, that which is controlled by 'Israel' and its wealthy Jewish agents who lay down laws which subjugate the American people. Al Qaeda? Doesn't exist, a creation of the Zionist regime's peak-level worshipers in America, selling you a pack of fearmongering lies to mentally browbeat you into submission. A controlled demolition brought down the Twin Towers and the Solomon Brothers Building a.k.a. Building 7, not hijackers; not jetliners. The 9/11 Commission, headed by Zionist Phillip Zelikow, and the report (read: degenerate script of inconsistency and falsehood) it delivered, were/are epic, epic frauds.

So, know this, o' masses of sheep. Know this as you obey the decrees of 'Israel,' your god of death, and make pilgrimage to the 'hallowed ground' of Ground Zero, your temple, renewing your allegiance to your cult of breathtakingly boneheaded jingoism on a yearly basis every September 11th. Know that everything that you have ever been told about that September day is a lie. Every. Last. Drop of it.

Swallow it; like the pills forced upon you by the crooked medical industry, side effects and all. Welcome to hell madames and sirs, ladies and gentlemen, brothers and sisters, friends and enemies. Welcome to dystopia. Welcome to the world that the Zionist entity

The 9/11 Delusion: Israel's False Flag, Jingoism, and Inhumanity

built in the wake of 9/11. The following questions are the answers that validate the charge; and validate is indeed the appropriate term, death to 'alleged,' to 'reportedly.' Death to silence and death to gatekeeping. 'Israel' is the culprit and it should be shouted from every rooftop in America, from ghetto to trailer park, barrio to project, Wall Street to Main Street. From there, let it spread like flowers in Spring, defying borders, enlightening all.

There is not a single aspect of the 9/11 attack that does not lead back to the Zionist entity.

Does Isser Harel, founder of Mossad and international war criminal, make you feel 'proud to be an American?' On September 23rd, 1979, Harel ominously 'predicted' an attack in

New York City, on its tallest building. This was no prediction however; it was a sardonic public display of arrogance. Harel was preparing you for the chaos that would rip through Manhattan 22 years later and none of you paid attention. What about Shaul Eisenberg, 'Israeli' billion-dollar moneyman and arms dealer, Avraham Bendor, former head of Shin Bet, Peter 'Zvi' Malik, Zionist spymaster and Steven Berger, Zionist extremist and former New York Port Authority executive director? Do these men enhance your ability to hear so your ears can more thoroughly enjoy 'the bombs bursting in air?' It is these men who orchestrated a supreme operation of subversion in 1987 through an organ of Eisenberg's empire known as Atwell Security to obtain the blueprints for the World Trade Center and prepare it for Mossad's controlled demolition on September 11th, 2001.

Does the attack on the World Trade Center (WTC) in 1993 invoke the most nostalgic aspects of your belligerent jingoistic religion, making you gleefully cry out in 'the dawn's early light?' This was the precursor, in which the FBI and Mossad worked together in perfect, murderous unison, executing a false flag of psychological warfare that would remain embedded in the minds of all those onlookers as they blindly accepted the Zionist media's lies on September 11, 2001, remembering 1993 as the 'historical precedent.' It was Rabbi Dov Zakheim's Tridata Corporation, a subsidiary of Systems Planning Corporation (SPC), that would oversee the investigation of the 1993 op, covering the tracks of FBI and Mossad and absorbing the most intricate pieces of intelligence for it was granted unlimited access to the World Trade Center. Rabbi

The 9/11 Delusion: Israel's False Flag, Jingoism, and Inhumanity

Zakheim would rear his ugly, conniving, traitorous head again on that infamous September day.

The 'Americans' of PNAC were in reality, high-level sayanim doing the bidding of their masters in the intelligence circles of the Zionist regime.

Does the Project for a New American Century (PNAC), a neoconservative think tank founded and comprised of more than thirty Zionists from the upper echelons of the American political and intelligence establishment, make you feel more at home in the 'home of the brave?' Founded in 1997, it is this group of (mostly) dual 'Israeli'-American citizens that has put plans in motion to expand America's already global hegemonic influence even further, through military

domination and an open, intimate relationship with the usurping Zionist entity, creating a two-headed war-driven beast, headed by the most ardent of Zionists. It is these men who penned a document one year before the fall of the World Trade Center entitled 'Rebuilding America's Defenses,' in which they called for a 'new Pearl Harbor' to serve as the catalyst for their agenda. It is these men who for the last decade, have sent your children and grandchildren to their graves as murderers of Arab and Muslim innocents, all for the sake of reaffirming the power of 'Israel.'

Do Rita Katz, daughter of an executed 'Israeli' spy, former Zionist occupation soldier and founder of SITE Intelligence Group, and Ben Venzke, Mossad agent and founder of the Intel Center, fill you with the very essence of the 'land of the free?' It is these two assets of the Zionist intelligence matrix that have been pumping your brains full of Al-Qaeda boogeyman stories, phony 'Islamic terror' plots and fake Bin Laden videos for the last decade. It is Katz and Venzke who provide government agencies and the Zionist media with their 'expertise' on Arab-Muslim affairs. Expertise, in this context, is synonymous with dissemination of pernicious hasbara. Does the name of 'Islamic extremist' Adam Yahiyeh Gadahn strike fear in your heart? Ben Venzke's Intel Center has consistently peddled his video messages to the Zionist media. Gadahn is no more an 'Islamic extremist' than Katz or Venzke; he is an Ashkenazi Jewish actor, sayan and son of an ADL director.

The 9/11 Delusion: Israel's False Flag, Jingoism, and Inhumanity

Michael Goff:
Zionist extremist,
Mossad asset,
9/11 criminal.

What of Michael Goff, an agent of Mossad and controller of the subterranean software firm P-Tech, does this man add gleam to the 'broad stripes and bright stars?' It is Goff, whose family has done the dirty work of the Zionist entity via their activities in the B'nai B'rith Commonwealth Lodge of Worcester, Massachusetts

for decades, who directed the penetration and shutdowns of government computer networks on September 11th through the vast digital reach of P-Tech, triggering (arguably) the most grand security collapse in modern history. And what of "United 93," the Hollywood epic that immortalized the myth of Flight 93's 'crash?' Surely, this mesh of smoke, mirrors and hasbara stoked the flames of your 'patriotism.' Not a single frame of it was rooted in anything even resembling actuality and its producers were exclusively Zionist, adding another venomous layer to their delusive 9/11 narrative.

Does the sound of the names Lewis Eisenberg, Larry Silverstein, Frank Lowy and Ronald Lauder give you hope in 'the havoc of war and the battles' confusion?' Eisenberg is a dedicated member of the Zionist lobby and chaired the Port Authority at the time of the September 11th attacks. Silverstein is an ultra-Zionist and prominent board member of the intensely pro-Israel United Jewish Appeal. Lowy is an ex-Haganah terrorist, former Golani Brigades commando and Zionist billionaire. And Lauder is head of the Zionist cosmetics firm, Estee Lauder, a member of at least seven Zionist lobby organizations, founder of a disciplinary school for Mossad on ethnically cleansed Palestinian land and the person predominantly responsible for transferring the World Trade Center from public to private hands; private Zionist hands, that is. These four men orchestrated the privatization of the World Trade Center, finalizing Zionist control over it in the weeks leading up to the attack. Silverstein would take out an anti-terrorism insurance policy on the WTC just 6 weeks before it was brought down and in the aftermath, he would profit in the billions thanks to the finagling of Jewish-Zionist judge Michael Mukasey, who manipulated the insurance case in Silverstein's favor.

The 9/11 Delusion: Israel's False Flag, Jingoism, and Inhumanity

As NYC burned, Zionists scrambled to profit off of the bloodshed and get rid of the evidence linking them to the crime.

Does the group of 'Israeli' citizens identified by the SEC for short-selling 38 stocks and purchasing huge put options on Merrill Lynch, Morgan Stanley, AIG, Swiss Re and Munich Re

Insurance, United Airlines and American Airlines between August 26th 2001 and September 11th, 2001 make you want to 'pledge allegiance to the flag?' All of these companies were directly involved with the 9/11 attacks. The 'Israeli' financial crime ring wasn't investigated to the point of prosecution and those involved most definitely were not arrested. And why would they be? For American Zionists and their tribal cohorts from abroad who commit crimes on US soil, 'justice,' as it is perceived in the idealistic legal context, is nonexistent. What about Alan D. Ratner, staunch Zionist and head of Metals Management Incorporated? Doesn't he make your very being pulsate with the feeling of 'liberty and justice for all?' It was Ratner's firm that purchased 70,000 tons of WTC steel and shipped it off to the Zionist entity's closest Asian ally, Hindutvadi India, as well as China, eliminating a gargantuan proportion of physical evidence.

Does Michael Bloomberg, brutally ardent Zionist, billionaire and current mayor of New York City, make you feel that the United States of America is 'indivisible?' Bloomberg ascended to the mayoral position in the wake of 9/11 and it is he who awarded the cleanup contract to Ratner. It is he who covered up Zionist criminal and AIG CEO Maurice Greenberg's put option scheme with Bear Stearns and Swiss Re Insurance, further burying Greenberg's profiteering role in the 9/11 onslaught. And it is he who transformed New York into a quasi-military dictatorship and Islamophobic police state with the help of former CIA chief, David Cohen, a Zionist who headed the agency's analytical and operational divisions. Cohen has now created New York City's very own version of the CIA, a mini-intelligence apparatus with full military capability; he, naturally, is its head. Its primary target has been none other than the Big Apple's Muslim community, which it has spied on excessively since Cohen arrived in New York just four months after 9/11. NYPD's raids on the Muslim community are modeled after none other than 'Israeli' occupation forces' savagery in the occupied West Bank. Bloomberg has gone above and beyond 'zionizing' New York City; he has put its social and ethnic infrastructure through full blown 'Israelification.' For the record, Cohen worked for Greenberg's AIG before being tapped by Bloomberg.

The 9/11 Delusion: Israel's False Flag, Jingoism, and Inhumanity

Jerome Hauer:
Zionist extremist,
top-level sayan,
accused murderer of former
FBI
counter-terrorism chief
John P. O'Neil.

Speaking of Maurice
Greenberg, does this Zionist
multi-billionaire and robber of
the highest order make the
'red, white and blue' on your
quintessential flag lapel
shine a tad brighter? Do
fervent Zionist Jules B. Kroll
and stalwart of the New York

Zionist community Jerome Hauer do the same? Jules B. Kroll founded the security firm, Kroll Incorporated, which had security dominion over the World Trade Center on 9/11 and in fact had it since 1993 after the Mossad-FBI false flag. The contract was secured largely in part to the persistence and maneuvering of the aforementioned Rabbi Dov Zakheim. Kroll was a wholly owned subsidiary of Marsh-McLennan Companies and AIG, owned by Maurice Greenberg and later, his son, Jeffrey.

Kroll's primary agent was Jerome Hauer, a close associate of Larry Silverstein. Hauer's role is especially evil. He placed the Office of Emergency Management inside Building 7, much to the dismay of the NYPD. When Larry Silverstein issued the infamous order to 'pull it,' and demolish the structure, classified information in that office, information linking the CIA and several Zionist companies involved with insider trading prior to 9/11, was destroyed with it. Hauer also neutralized a true American patriot, former FBI counter-terrorism chief, John O'Neil, giving him a job in the World Trade Center and setting him up to die when Flight 11 was precision-guided into the secure computer room of Marsh-McLennan Company/Kroll in the North Tower. Hauer, Kroll and the Greenbergs have never even been questioned for their devilish, murderous roles in the 9/11 horror.

The 9/11 Delusion: Israel's False Flag, Jingoism, and Inhumanity

Rabbi Dov Zakheim: one of the major players of the 9/11 false attack and a man fully dedicated to the preservation of the racist Zionist regime.

Attention must now be returned to one of the earlier assets of the Zionist false flag on 9/11, Rabbi Dov Zakheim. Does the 'good Rebbe' make you feel like you reside in a 'shining city on a hill?' It is Zakheim who

served as the Pentagon Comptroller from 2001-2004, standing alone as the overseer and runner of the DOD's cashflow. The day before 9/11, Rabbi Zakheim 'disappeared' \$2.3 trillion, in one of the most scandalous events to ever hit the White House. Before the end of his tenure, another trillion would vanish. The missing trillions would end up in the pockets of the Zionist entity through a 'military surplus' package of warplanes delivered by the Zionist-run Bush administration.

Zakheim negotiated the transfer. While your schools, roads and infrastructures rot away in horrific decay, Rabbi Dov Zakheim spends your tax dollars on financing genocide in Lebanon and occupied Palestine. The 'good Rebbe' also headed the aforesaid Systems Planning Corporation (SPC), a defense contractor that specialized in remote control technology. SPC was known for its Flight Termination System (FTS), a deadly apparatus with long-range transmitters capable of hijacking a plane mid-flight. Just before 9/11, Zakheim's firm entered into an agreement with the Pentagon to reformat dozens of 767s with FTS tech. These FTS-equipped planes were what struck the Twin Towers with laser-guided precision on 9/11. And the 'good Rebbe' played this crucial role for the good of your 'freedoms,' yes?

Ronald Lauder is another criminal Zionist personality whose role must be noted once again, as he assuredly allows you to understand the abyssal meaning of 'freemen shall stand.' Prior to privatizing the World Trade Center and assisting its transference to Zionist criminals Silverstein and Lowy, the don of the Estee Lauder empire helped privatize Stewart Airport in Newburgh, New York. It is in the skyways above Stewart Airport, where the flight paths of Rabbi Zakheim's remote-controlled airplanes, fully formatted with Flight Termination Systems, would converge and make their way to their final destination in Manhattan. To this very moment, Lauder serves in full, Zionist capacity as a Mossad sayan, spewing propagandistic vitriol through the World Jewish Congress against Muslims, Arabs, pro-Palestine intelligentsia and of course, in defense of 'the only democracy in the Middle East,' the usurping Zionist enterprise.

The 9/11 Delusion: Israel's False Flag, Jingoism, and Inhumanity

War criminal
Netanyahu
thought the 9/11
attacks were 'very
good for Israel.'

Ehud Barak, Ehud Olmert and Benjamin Netanyahu, former and current heads of 'the only democracy in the Middle East,' should make your spirit gyrate in joy over the 'shared values' of the United States and 'Israel,' correct? It is Netanyahu that designed this 'war on terror,' which, is nothing but a war of terror

against Islam and those who stand in solidarity with it. The mass murdering war criminal wrote a book entitled, 'The War On Terror: How The West Can Win' 15 years before the phraseology was ever spouted by the Zionist-owned mainstream media. Netanyahu mocked the victims of Mossad's 9/11 false flag attack, stating directly after the controlled demolition brought the towers down that it was "good, very good for Israel. It will generate immediate sympathy." In April 2008, Netanyahu went even further and said "We are benefitting from one thing, and that is the attack on the Twin Towers and Pentagon, and the American struggle in Iraq."

These two Zionist heavyweights played critical roles in assuring Mossad's operation on 9/11 'ran smoothly.'

It is Barak that catapulted himself onto the UK's Zionist-run BBC just an hour after the collapse of the Towers, blaming Osama Bin Laden for the attack and calling for a 'war on terror' and an invasion of Afghanistan (and Iraq, Iran, Syria and Libya).

It is Barak that stepped down from his post as 'Israeli' Prime Minister in March 2001 to serve as an advisor for the NY-based Electronic Data Systems (EDS), a Mossad front partnered with another Mossad front, SCP Partners. This Zionist nexus, led by Barak, secured the thermite explosives used to demolish the World Trade center from several explosives-expert firms in their business portfolio. Barak, essentially, was the overseer of Mossad's 9/11 operation. It is Olmert who was in New York City the

The 9/11 Delusion: Israel's False Flag, Jingoism, and Inhumanity

night before 9/11 in a high-level secret meeting with then-mayor and 'shabbos goy' Rudolph Giuliani, making sure the stage was set for the 'big day.' Olmert himself is directly tied to ICTS, the treacherous 'Israeli' security firm which oversaw all three of the '9/11 airports.' One of the founders of ICTS, Menachem Atzmon, is a close friend and political ally of Olmert (more on ICTS shortly).

'Israel' was running the largest spying operation in the history of America. What are friends for?

Unequivocally, there is no person who embodies America's 'Judeo-Christian values' more than Michael Chertoff, is there? Chertoff, a dual-citizen of the United States and 'Israel' and

the son of a Talmudic rabbi and one of Mossad's very first operatives, served as the head of the Justice Department from 2001-2003 before becoming the second Secretary of Homeland Security. If Barak was the 9/11's overseer, then Chertoff was its chief strategist. 60 'Israeli' spies were detained on 9/11 and 140 more were detained shortly before the event; all of them worked with Aman, the Zionist entity's military intelligence organ or with IOF itself in the field of explosive ordnance. The spies detained on the day of the NYC tragedy, tested positive for explosives, including the infamous 'five dancing Israelis' who worked for a Mossad front known as Urban Moving Systems prior to the attack, gathering intelligence on Arabs and Muslims in the greater New York area to eventually use them as patsies for criminal 'Israeli' activity. These spies also worked for Amdocs, the 'Israeli' firm of Mossad agent Morris Kahn that collects processing data for 90% of the phone calls, emails, and text messages in America, including several agencies of the federal government.

Many of them also worked for Comverse Technology, run by Zionist intelligence mainstay Kobi Alexander, a firm that equips dozens of law enforcement agencies in America with wire-tapping tech. Alexander also had a minute stake in the Zionist telecom company, Odigo, which he upgraded to full ownership 3 months after 9/11, solidifying a deal with the 'Israeli' Ronen brothers, Avner and Maskit. It was an expansion of an already massive Zionist spying operation. Odigo is the firm now known all over the world for warning 4,000 'Israelis' in the New York area with text messages just shortly before Rabbi Zakheim's planes rammed into the WTC. Alexander and his Comverse partners, William Sorin and David Kreinberg, both of whom served in 'Israeli' intelligence, were under investigation from US federal prosecutors for multiple fraud charges but were allowed to leave the country in utterly bizarre circumstances. One

The 9/11 Delusion: Israel's False Flag, Jingoism, and Inhumanity

week prior to 9/11, Zim Integrated Shipping Services, an outfit partially owned by the Zionist entity, paid \$50,000.00 to break its lease and shift its offices to Norfolk, Virginia. Despite the blatant suspiciousness, no Zim official was ever questioned for the motivation behind leaving such a prime location, in the business capital of the USA, one week prior to 9/11.

Michael Chertoff:
dual-citizen of
'Israel,' son of
Mossad, chief
9/11 strategist.

What do all of these Zionist-flavored anomalies have to do with Michael Chertoff? Everything. Chertoff's position in the Justice Department gave him unchecked, unprecedented power over the detention, extradition and sentencing (or lack thereof) of suspects (and would-be suspects like the executives of Zim).

Chertoff blocked the efforts of decent FBI men who strove to have the hundreds of 'Israeli' spies prosecuted for espionage and terrorism. He supervised the destruction and confiscation of evidence that would have linked the Zionist dragon and its American sayanim to 9/11 like videotapes, eyewitness accounts, written testimonies and debris from Ground Zero. The son of 'Zion' saw to it that all 'Israeli' suspects were released, without any coverage from the Zionist media or objection from the Bush White House, and under this cloud of non-reporting and non-intervention, he had all of them sent back to the safety of the Zionist entity.

Purging the 'Israeli' spy ring from the public's collective memory, the son of Mossad orchestrated the capture of at least 1,100 Muslim citizens, tourists and immigrants, falsely labeling them as suspects connected to the September 11th attacks. These innocents were tortured in secret facilities, denied access to a lawyer and psychologically abused in secret military tribunals before they were deported, or released back into society with no chance of retribution for the criminal acts committed against them. On the social-political front, Chertoff is the personality solely responsible for the destruction of America's civil liberty in the post-9/11 era, as it was he who wrote the Patriot Act months in advance of the attack. Chertoff's Zionist cousin, Benjamin Chertoff, wrote multiple pieces in the 9/11 aftermath, smearing all those who vigorously sought the truth of what really took place on that day.

The 9/11 Delusion: Israel's False Flag, Jingoism, and Inhumanity

Would you like some other prominent examples that will unquestionably send your 'I love America' meter through the roof?

The 9/11
false flag event
is crawling
with Zionists,
from top to bottom,
pillar to post.

As discussed earlier, the security of the '9/11 airports,' Dulles, Newark and Logan, was being run by the same Zionist company, ICTS-Huntsleigh, owned and controlled by former Shin Bet agents, Ezra Harel and Menachem Atzmon. ICTS-Huntsleigh would play a crucial role in the 'British 9/11,' the 7/7 false flag bombings orchestrated by Mossad and MI5 and it would also emerge as a major beneficiary of the 'Indian 9/11,' the

26/11 false flag attack orchestrated by Mossad and its Hindutvadi ally, RAW.

Zionist lawyer Kenneth Feinberg set up the 9/11 Victims Compensation Fund at the behest of his overlords in 'Israel,' forcing every family that lost someone in the 9/11 attacks to wave their right to sue the Zionist-occupied US government for criminal negligence in exchange for \$1.25 million worth of blood money. Alvin Hellerstein, the Orthodox Jewish judge with dominion over all 9/11-related litigation, has blocked legal discovery, prevented a trial from even taking place and steered clear of the public eye to bury his role in 9/11. Hellerstein's ties to the Zionist dragon run deep, as his son, Joseph Z. Hellerstein, lives on an illegal Zionist settlement in the occupied West Bank and works for the 'Israeli' law firm, Amit, Pollak and Matalon. Joseph's law firm has a close working relationship with ICTS and the Mossad-run SCP Partners. Alvin and Joseph, prior to their most recent endeavors, previously worked for the historically-Rothschild-linked law firm of Stroock, Stroock and Lavan, which represented ultra-Zionist Larry Silverstein in his acquisition of the WTC lease.

The 9/11 Delusion: Israel's False Flag, Jingoism, and Inhumanity

Sheila Birnbaum:
Zionist extremist,
agent of Judge
Hellerstein, worst
nightmare of the
9/11 victims' families.

Sheila Birnbaum, the Zionist
'special mediator' of Judge
Hellerstein's court, worked
vociferously behind the
scenes to pressure the
families of the 9/11 victims to
ensure that there would be
no trial and to hurry the
implementation of the cover-
up. Birnbaum has also been

selected to head the multi-billion-dollar Health Fund for the first responders, civilian rescue workers, policemen and others who became extraordinarily sick from the toxic fumes of the asbestos-laden World Trade Center, much to the dismay of the 9/11 victims' families. Expect large portions of those billions to end up in the hands of Zionist firms and agencies. Birnbaum is a partner in the Skadden Arps corporate law firm, a Zionist fifth column in the United States that is loaded to the brim with Hebrew-speaking, dual-citizen Zionist attorneys hellbent on assisting 'Israeli' companies in raising capital outside of the Zionist entity. Skadden Arps is also deeply linked to the Anti-Defamation League.

James Schlesinger, a devout Zionist and your former Secretary of Defense and ex-director of the CIA, runs a corporation known as MITRE that played a central role in subverting air traffic control networks on 9/11. Schlesinger's family has historic ties to the Zionist entity, with his father serving as the budget chairman of the Steven Wise Free Synagogue, a known front for 'Israeli' fundraising. MITRE is the 'trusted mentor' of the FAA and worked hand-in-glove with the previously-discussed P-Tech in reducing NORAD's grids to rubble on 9/11. MITRE's software is embedded in FAA offices across the country; everything that goes on in the air on a daily basis in the United States runs through MITRE's national computer meshwork. Yosef A. Maiman, a Mossad operative that chairs a powerful consortium of 'Israeli' energy firms known as the Merhav Group of 'Israel,' positioned himself as one of the most influential men in Central Asia by taking control of Turkmenistan's natural gas and forging an atmosphere where the Zionist entity will be the sole profiteer of energy production in the region via the TAPI pipeline, a Zionist project that runs through Turkmenistan, Afghanistan, Pakistan and Hindutvadi-controlled India. This is the real reason behind the fascist, destructive invasion of Afghan land.

The 9/11 Delusion: Israel's False Flag, Jingoism, and Inhumanity

Americans should be furious about the Zionist dragon's orchestration of 9/11. They should demand its irrevocable boycott immediately.

And it is there where the introspective and exhaustive deconstruction of your jingoism meets its end and the scathing critique of your attitudes and actions from that 9/11 origin point begins. Instead of directing your ire at the vast yet close-knit network of Jewish supremacists who are dedicated to preserving their usurping Zionist regime and their tribal interests through your exploitation and subjugation, you've lashed out in xenophobic, racist anger at their victims; their poor, helpless, oppressed victims. You should be marching to every 'Israeli' embassy and consulate in the United States of America, demanding its closure and its officials expelled. You should be picketing outside of every 'Jewish charity' organization that is nothing more than a front for Zionist operations inside American borders. You should be demanding that the 300,000 sayanim of the Zionist lobby be deported. You should be screaming incessantly for the boycott of 'Israel.' And you should be volcanically outraged that your children are growing up poverty-stricken while the American government hands over \$15-20 billion annually to the Zionist regime, \$30,000.00 a year for every 'Israeli' man, woman and child, every one of them an occupier, as confirmed by former Congressman Jim Traficant.

Instead, truly in the essence of your ignorance, a glorified state of mental impotence, you slash the throats of Muslim cabdrivers, urinate on the floors of mosques, desecrate the holy book of more than a quarter of the world's population, beat Arab teenagers to death with baseball bats, jeer, slander and verbally abuse Muslim students from every part of the nation, rip the hijab off of Muslim women and stomp on it in some sort of sick display of American secularism, another Orwellian euphemism for hedonism with a mask of falsely-perceived 'righteousness,' spy on Arabs and Muslims with your murderous intelligence agencies, violating every inch of their civil rights, call for Muslims

The 9/11 Delusion: Israel's False Flag, Jingoism, and Inhumanity

to be registered and identified with special markings and have your congressman, all of whom are owned by the Zionist entity, hold hearings on the eventuality of placing Muslims in internment camps, like you did to the Japanese 70 years ago.

And then are your troops; yes, your oh-so-special troops. 'Support them' you must, 'God bless them,' you pray. Meanwhile your troops, your imperial commandos, your bloodthirsty, trigger-happy maniacs in uniform, are not defending your freedoms or 'fighting them over there before they have to fight them over here,' they are engaging in crimes against humanity of the highest order; genocide, the heinousness of which, the world has yet to fully process. And they are perpetrating this inhumanity for 'Israel,' for its preservation as the ruling state of this globe; spilling Amalekite blood unstoppably in a ritual sacrifice to 'bring liberation.' The Amalekites, ancient enemies of Zion, modern day's Arabs, Persians and Muslims, must be killed for 'Israel' to satisfy its bloodlust. What liberation, you ask? Liberation of resources from indigenous, sovereign hands to be delivered into the greedy paws of Zionist beasts. Don't you know that the Zionist god of your jingoistic, halfwit 'faith' considered 9/11 a strategic advantage and a 'pressure reliever' on the international stage? Don't you know that the Talmudic rabbinate, the real governors of world Jewry and global Zionism, sincerely think that 9/11 is the fulfillment of a prophecy that they wrote about four centuries ago? Don't you know that they think it is the culmination of the 'Judgement of Nations?'

Here are the targets of Zionist Jewry's 'war on terror,' the innocent, savagely-oppressed children of occupied Afghanistan.

Afghanistan, a once breathtaking Islamic landscape of mountains and mineral-rich ravines, has been transformed into a ravaged, occupied narcotics-riddled deathbed by NATO, the Zionist dragon's attack

dog. More than 7 million Afghans are starving because of this cruel, unrelenting occupation. White phosphorus and depleted uranium can be found in the linings of more than 1.5 million graves of men, women and children, murdered by occupiers for Zionist energy interests. The once-flourishing pomegranate industry has been pummeled into nothingness by the occupation. Now? Only heroin trafficking flourishes and it is 100% controlled by Mossad and its partners in the CIA and RAW.

The 9/11 Delusion: Israel's False Flag, Jingoism, and Inhumanity

Are you even capable of fathoming the level of this destruction; of this ongoing massacring of human beings, no different than you or your loved ones? Imagine your family and closest friends torn to smithereens by a bunker buster bomb while they watched their favorite sport, or your youngest and most precious daughter ripped from her bed in a night raid by masked men holding machine guns and raped, repeatedly, and then shot in her head before you and your husband were killed next. This is Afghanistan, every. Single. Day. Without fail. There is a gut-wrenching plethora of stories to tell, too many, really, as the ten year anniversary of the illegal occupation approaches. So, there will simply be one; one which embodies the NATO-Zionist savagery in its entirety. It was March 1st, 2011, when NATO dropped a bomb in Kunar Province, slaughtering 9 Afghan children collecting firewood. Do pieces of firewood threaten America's 'national security?' 9 children, each one a beacon, snuffed out in a blaze; snuffed out like the embers of a campfire fading away.

The same criminals that planned and executed the 9/11 false flag attack, are the same criminals that skewered Iraq beyond recognition. Zionist psychopaths, the lot of them.

Iraq, the Arab-Muslim world's oozing, infected wound of sorrow and

agony, was once the gemstone of Arabia, a 'first-world' social utopia where education, health care and science prospered. Now, Iraq is a rotting corpse; an annihilated garden in which only the soulless flowers of occupation, resource theft and Zionist-controlled prostitution and human trafficking grow mightily, in the sunlight of despair. 5 million Iraqis, inside and outside their homeland, have been transformed into vagabonds, or refugees if you prefer the pretty term. 5 million Iraqi children have been orphaned, their parents murdered, imprisoned or 'disappeared' by the occupation. 80% of Iraqis have no access to sanitation, 43% live in abject poverty and 70% are unemployed, but their government, nay, the group of collaborationist thugs claiming to be their government, installed by fraudulent, Zionist-manipulated means, spends an obscene amount of its time and (Iraq's) money on negotiations with Zionist firms aching to suck away Iraqi resources. The occupation's shooting and bombing of innocents, black site torture centers and the P2OG-Mossad nexus's daily onslaught of car bombs are the new norms for the people of Iraq. All designed by bloodthirsty PNAC, years in advance.

Fallujah, where the occupation unleashed a devastating medley of napalm, mark-77, white phosphorus and depleted uranium, is a place where the flesh of innocents becomes water and their bones become sand but since their remains are too radioactive to absorb, the earth spits them back out in pain. Basra, where depleted

The 9/11 Delusion: Israel's False Flag, Jingoism, and Inhumanity

uranium is as common as the most ancient of Iraqi dates, is place that has burned in violent semi-nuclear conflagration for more than two decades, where cancer in children is normal like their play on a summer day and mothers scream out in rage, in sadness, because they have just given birth to another baby with two heads; three hands; three legs; their organs on the outside; a misshapen body; an exposed brain; horror, on top of unspeakable horror. Karbala and Najaf, places of peace, unity and holiness, shake uncontrollably, every day, as car bombs planted by Mossad operatives rip mothers and daughters, fathers and sons, sheikhs and pupils, to shreds as they bow before their Creator, begging for freedom from the hell brought down upon their heads by the Zionist dragon and its PNAC agents. Their prayers are answered, in martyrdom. Iraq, a gaping hole in humanity's conscious, the flow of innocent blood endlessly streaming. The body count is over 2.5 million since the occupation began.

The Zionist dragon desperately wants to see the Islamic Republic of Pakistan destroyed.

Pakistan, an Islamic Republic known for its righteousness, supreme brilliance and lightning progression in the nuclear, military and intelligence fields, has been turned on its head and kicked repeatedly by the Zionist dragon in the wake of 9/11. It is where American predator drones murder families from above in the most cowardly fashion

known to man, like a video game, and a unified front of Zionist and Hindutvadi intelligence operatives murder families on the ground, with car bombs, motorcycle bombs, IEDs and shootings behind the cover of a mask. The grand strategic objective of international Zionism in Pakistan is to confiscate the Islamic Republic's nuclear arsenal, subsequently disintegrating the society from a moral perspective and leading it away from Islam. Contrary to what you have been told by the hasbaraniks, propagandists and liars of the Zionist media, Islam is not a 'terror religion;' it is a code of ethics, politics and spiritual Resistance that serves as the last remaining opposition to Zionist Jewry on planet earth. Your 'blessed and beloved' troops, sit behind computer screens, murdering children and others civilians in the thousands across Pakistan, totally oblivious to why they've even been given a chair to begin with.

Yemen has been turned into a living nightmare, where at least one predator drone strike is carried out every day. Hundreds of innocents have been murdered in these senseless acts of insane violence; these illegal crimes against all that is good and pristine. And for what? Why is Obama the bomber, America's 'first Jewish President' according to the Zionists that nurtured him and brought him into power, bombing Yemen? Because of Al-Qaeda? The same Al-Qaeda that doesn't exist and never has existed? No, 'the first

The 9/11 Delusion: Israel's False Flag, Jingoism, and Inhumanity

Jewish President' is bombing Yemen because the more Amalekites that are dead, the happier the Zionists are. Somalia, once at peace, a time that seems to have existed more than a millennia ago, is now quite literally struggling for its very survival as the Zionist Power Configuration and its imperial marionettes manipulate famine and drought, while mixing in drone strikes and torturous black site prisons, under the watchful eye of a joint Western-backed AU-UN occupation. Tens of thousands of innocents have paid in blood for these Zionist tactics; paid with their very lives. Libya, despite all of the Zionist media's farcical 'revolution' coverage, is becoming another Iraq right before the eyes of the world, and every bit of misery, every frame of the bloodshed, has been organized by 'Israel.'

Over the last decade, since that fateful day in September, the enforcers and proxies of international Zionism have carried out at least 1,665 '9/11s.'

The Islamic Republic of Iran and Syria are being prepped for their moment on international Zionism's chopping block and, as if it even needs to be said, Lebanon, occupied Palestine and

occupied Kashmir are all suffering immeasurably at the hands of the Zionist entity (and its Hindutvadi partner in crime in Kashmir) which upped its oppression ten fold with the inauguration of Netanyahu's 'war on terror' construct. The genocides known as the July War of 2006 and Operation Cast Lead are still excruciatingly singed into the memories of every Arab, every Muslim, every lover of humanity across the globe. Statistically, in terms of numbers, around 1,665 9/11s have occurred throughout the Islamic world at the hands of this Zionist criminal network since 9/11. There was a 9/11 happening every single day in the opening years of the illegal Zionist occupation of Iraq. Remember this when you disconnect from this plane and begin speaking in tongues; 'never forget,' you idiotically and pseudo-religiously spout. Your 9/11 is unique in a regard however, because it never happened to you before. 9/11-like massacres in the world of the 'ay-rabs and moozlums' continue happening with disturbing regularity and the only reply that you can offer is silence; deafening, wide-eyed silence.

Pointing out 9/11 as an 'Israeli' war crime, one on a laundry list of 'Israeli' war crimes, has been labeled 'anti-Semitic' by the ADL, a Zionist intelligence front.

The occupied, oppressed lands of the everyday 9/11s will not be free until the reason why they are occupied and oppressed is openly discussed, and that reason is the Mossad-orchestrated 9/11 false flag attack. In the same breath, those who seek truth about the events of September 11th are not complete in their quest until they are

simultaneously seeking justice for those across the Islamic world who have been devastated in the aftermath of the Zionist pretext. Justice for the occupied, oppressed lands, Palestine in particular, and 9/11 truth are conjoined at the hip of struggle; a struggle against the Zionist regime that sits at the head of all of this global insanity. It is this struggle, for (9/11) truth and justice, that the Anti-Defamation League of B'nai B'rith (ADL) dubs 'anti-Semitic,' a disgraceful phrase that fully represents Zionist racism and Jewish supremacism, as if the suffering of one group of people sits high above the suffering of all others, a suffering that, to start, has been largely exaggerated and manipulated over time by the rabbinical elite who have systematically oppressed their own communities. The ADL, a rotten Zionist organization of mob lawyers founded with the money of confederate Jewish slave owners, kept alive with funds from the Jewish mafia, most notably Lansky lieutenant Moe Dalitz, and now functioning as a wing of 'Israeli' intelligence that conducts spying for the supremacist entity, has been instrumental in discrediting 9/11 truth seekers who long to have Zionism punished for its crimes on American soil and abroad. 'Never forget' that this group of Zionist thugs wants your dissent silenced.

The 9/11 Delusion: Israel's False Flag, Jingoism, and Inhumanity

Zionism:

14-year old Abeer al-Janabi
was gang raped
and slaughtered along
with her family by
occupying forces in
Yusufiyyah, Iraq.

'Never forget' is a phrase that should be invoked only if truth and nothing but, accompanies its essence as it is channeled from your brain to your tongue. Never forget that the American 9/11 victims and all of the victims coldly murdered after the fact, are united in their innocence and united in their martyrdom. They are united by the identify of their killers: Zionists, Jewish supremacists, sayanim, Mossad, Aman, Shin Bet, Talmudic extremists; these are the criminals, different heads of the same Zionist hydra. 'Never forget' this fact. Remember this unforgiving tidbit when you think of those incinerated by Mossad explosives in the Twin Towers. Remember it when you think of the Afghan boys blown to bits while collecting firewood. Remember it when you think of Abeer Qassem Hamza al-Janabi, the 14-year old Iraqi girl of Yusufiyyah gang raped and murdered by occupying forces along with her family; remember all like her in occupied Iraq.

Remember it when you think of the families incinerated by predator drone hellfire missiles while they're praying in their mosque in Pakistan, playing in their gardens in Somalia or eating in their homes in Yemen. Remember it when you think of the NATO mustard gas and depleted uranium that has devastated the Libyan town of Bani Walid. Remember it when you think of Lebanon, its homes, mosques, hospitals, schools and churches cluster bombed to death by the Zionist dragon during the July War. Remember it when you think of the malevolent massacres carried out by 'Israel' in occupied Palestine, from Jenin to the illegally besieged Gaza Strip. 'Never forget' that humanity is what unites all of us in this struggle to the death against this monolithic Zionist menace.

The 9/11 Delusion: Israel's False Flag, Jingoism, and Inhumanity

Never forget
September 11th, 2001,
Mossad's 'masterpiece'
false flag, and all of the
innocents that lost their
lives as a result of it;
on the day and after.

Remember all of this on your
next pilgrimage to the
'hallowed ground' of Ground
Zero, New York City.

Remember this as you put
your ignorance in a coffin, in
the name of truth, and your
jingoism right next to it, in the
name of justice. Remember
this as you reevaluate the
'monotheistic god' that you've

been tricked into believing in, 'Israel.' Remember that this murderous Zionist entity is nothing more than a cloud of falsehood; one swift wind of truth renders it useless, meaningless, inconsequential. Remember that it is a false god, an idol, drilled into your consciousness by the Zionist media and like all idols before it, its only destiny is that of fragmentation after being smashed by harbingers of fact and destroyers of myth.

Remember that the 9/11 delusion will die when it is recognized as such and when the victims of it, from New York City to occupied Afghanistan and everywhere in between, are recognized as the same, precious innocents; all of them. With this, the inhumanity against Muslims, Arabs and their friends, forced upon the world by the Zionist dragon, will die too. From that moment, the next phase of the struggle for liberation can be initiated; the struggle to rebuild our societies destroyed by this Zionist world system and more specifically, this 'war on terror,' a colonial crusade against Islam forged in the fiery dungeons of Jewish supremacism. What lies before us is a struggle of reconstruction, based on truth, justice, unity and humanity. Glorious humanity. This, more than anything, frightens the Zionist entity and shakes it to the very core because, humanity is the antithesis to Zionism. It is the force that will transform the global 'Israeli' empire into nothing but a blip on the radar of history. And it is coming soon; so, so very soon.

Insha'ALLAH.
